RESIDENTIAL REHABILITATION TREATMENT PROGRAM (RRTP)

The Domiciliary's RRTP program provides a safe, structured, and goal-oriented environment to learn and enhance life management skills to live independently. The 90-day Recovery Track is focused on skills to assist with recovery from substance use. It provides Veterans with cognitive behavioral therapy, problem-solving, and life skills training in a peer support format with fellow Veterans. The program's 180-day Housing Track is for unhoused Veterans and includes the same therapeutic services as the Recovery Track but emphasizes finding adequate housing and connecting to employment and/or other meaningful opportunities such as volunteering. **To Apply: Please call 1-800-848-7254**

Addiction Consultation & Treatment (ACT) offers a range of substance abuse treatment services to veterans, including screening, assessment, brief intervention, self-help materials, medication management, outpatient treatment and residential treatment. **To Apply: Please call 1-866-717-1978.**

VETERAN JUSTICE OUTREACH (VJO) AND REENTRY SERVICES

The Veteran Justice Outreach (VJO) initiative aims to avoid the unnecessary criminalization of mental illness and extended incarceration among Veterans by ensuring that eligible justice-involved Veterans have timely access to VA treatment and services as clinically indicated. VJO services encompass direct outreach to local county jails, training of law enforcement personnel, and liaising with county court systems, including staffing support for numerous local Veterans Treatment Court. Similarly, the VA has developed Health Care for Reentry Veterans (HCRV) to assist with successful transition for Veterans leaving prison. Reentry Specialists go to each correctional facility throughout Northern California several times each year to meet with Veterans before their release. **Call 650-493-5000 ext. 23435** for more information.

PERMANENT HOUSING (HUD-VASH)

The Housing and Urban Development Veteran Assisted Supportive Housing (HUD-VASH) program provides subsidized housing vouchers and supportive case management to eligible homeless Veterans. Referrals will be screened by the screening committee to ensure eligibility and clinical need and determine the urgency for admission. HUD-VASH Case Managers will make the final admission decision after meeting with the Veteran. **To apply: Please call (650) 493-5000, ext. 25590** for more information.
